

# You're Never Alone

When you're by your self, and no one's around  
When not even a single soul in your world can be found  
Simply turn to God's Word, it most certainly is true  
That God can be found to bring solace to you.

He has placed letters for comfort, and some teach us to pray  
Letters from His Spirit which His thoughts do convey  
To a flock that He loves and has promised to guide  
Through the valleys and rivers, to our home up on high.

All of life's paths are laid out in a pattern  
Designed by a Master Hand guiding each turn  
His Love is more than that of your friend  
This Saviour will be with you to the very end!
