

Current Series – The Rapture

We are currently studying what the Bible says about the Rapture. Some believe that the Rapture will occur before the Tribulation begins. While others believe the Rapture will occur in the middle of the Tribulation or at the end of the Tribulation. Please join me and be excited about the next step in God's prophetic plan! Also, please leave a comment with your thoughts. To start from the beginning with Day 1, please go to our [Table of Contents](#). It will be populated as each day is completed.
